Trittschuh Physical Therapy is your hometown locally owned and operated outpatient physical therapy provider for almost 40 years. We treat a variety of conditions in addition to providing education and instruction to help prevent injury. We have only licensed therapists providing quality up-to-date and appropriate interventions to get you back on track to your desired lifestyle. We provide one-on-one care based on individual needs and offer extended hours upon request. Much of our treatment is centered around a manual approach which enables us to identify sources of pain or deficits present to enable us to target them and provide effective results in less time. Currently treating:

- ❖ Orthopaedics
- ❖ Musculoskeletal Deficits
- ❖ Vertigo and Balance
- ❖ Sports Injuries
- ❖ Headaches
- ❖ Spinal Injuries
- ❖ Strokes
- ❖ Prosthetic training
- ❖ Gait training
- ❖ Auto Accidents
- ❖ Work Comp Injuries and Work Conditioning
- ❖ Osteoporosis
- ❖ Parkinson's and many other conditions
- ❖ Neurological Deficits

INSURANCE

We accept most major insurance plans to include Medicare, Worker's Comp, Florida Blue, Aetna, automobile insurance to name a few. Self pay patients are always welcome with very competitive rates available. If there are any questions or concerns about coverage, our knowledgeable office staff will be happy to assist you.

THERAPIST PROFILES

JEFFREY D. GEYER, PT graduated Magna Cum Laude from the Physical Therapy program at Georgia State University, with an emphasis on manual therapy, electro-physiology, and biomechanics of the foot and ankle. He has over 28 years of post graduate education and clinical experience with pathological and traumatic conditions of the nervous system, orthopedic/sports/musculoskeletal conditions, TMJ dysfunction, industrial injuries/ergonomics assessment, and vestibular/balance disorders. He is skilled in the application of the full scope of modalities utilized in PT including Low Level Laser Therapy/LLLT for the accelerated healing and pain relief of a broad range of musculoskeletal/ inflammatory conditions, wounds and nerve injuries.

ROGER B. GROVER, PTA earned his Associate of Science degree of Physical Therapist Assistant from Daytona Beach Community College in 2000. He earned his Associates of Art in general studies from DBCC in 1998. He earned his certificate as a Certified Ergonomic Assessment Specialist from The Back School of Atlanta in 2004 and has become very effective in treating various work related injuries and educating employees and employers on prevention of workplace injuries. He has treated patients for over 15 years in this area for orthopaedic, neurological, sports injury and various other conditions with an emphasis on manual therapy, exercise and education. He has made DeLand his home for the past 30 years.

KRISTINA L. CARROL, DPT graduated from Nazareth College's Doctor of Physical Therapy program in May 2014. She has completed extensive clinical work treating patients with a variety of neurological, musculoskeletal and cardio-pulmonary conditions. She has initiated training in McKenzie's MDT technique and is a co-author of the "Application of Mechanical Diagnosis & Therapy of the Human Elbow" study, which is currently under review for publication to the Journal of Manual & Manipulative Therapy. She recently moved to the Port Orange area to begin her career with Trittschuh Physical Therapy.

BONNIE COOKE has been the Office Manager for over 25 years providing extensive knowledge in insurance and billing. She has been the friendly face and kind voice that many have enjoyed dealing with at Trittschuh Physical Therapy. She along with Angela Ross, our office assistant will make scheduling and obtaining authorizations hassle-free.

ANGELA ROSS has lived in the area for over 30 years. She has been working as a Tech for ten years at various locations in DeLand performing a number of services such as geriatric exercise and blood pressure clinics. She also has earned her certificate in Medical Billing and Coding from Florida Technical College. She has been a part of our team here at Trittschuh Physical Therapy since December of 2008.
